COLLECTION AVEO | 2015

AVEO

Refined line style provides functionality and usability of all Aveo products

Discover modern ideas

AVEO collection is characterized by flowing lines and soft shape which combine simplicity and elegance. Those people who appreciate functionality, perfection and distinguished interior style will definitely find AVEO product line to their taste.

You will be captivated by bath design aesthetics and flexibility in its application.

A bathroom cabinet has a high-class decoration combining the spirit of minimal art and city style.

Acrylic bath – creative solution for contemporary design of a bathroom. The product is made from 6 mm thick acrylic sheet formed by differential heating on advanced automated moulding equipment, providing uniform thickness of bath walls.

Wall-hung cabinet perfectly blends with basin and wall faucet. Proportional to cabinet size mirror wardrobe and column cabinet with conveniently-arranged internal shelves harmoniously fit into the ensemble.

Aveo collection embodies creative skill and invaluable experience of distinguished designers Michael Keisset and Fabio Zanetti who incarnated their visions in this collection like a breeze having created ineffable combination of emotions and bliss.
