

# LAVINIA BOHO

COLLECTION BRISTOL | 2019 - 2020

# BRISTOL

Supreme comfort in minimum space

## Optimum package

State-of-the art BRISTOL products encapsulate simplicity and freedom. This style of a bathroom design causes a sense of harmony and pure taste.

The mirror with its simple clean design makes the interior exquisite and gentle; wall-hung bidet and

toilet perfectly combine rationality and style and complete the general concept of Bristol collection.

Toilet and bidet hanging structure provides easy care of floor surface, mounting at desired height and optimization of free space ensuring comfort and balanced design. State-of-the-art rimless flushing system and smooth glazed surface throughout the item provide easy cleaning while flushing and reliable protection from contamination and lime scale.

Anti-bacterial advanced coating technology Light reduces growth of bacteria by more than 95%, providing white purity and hygienic condition of sanitary porcelain.

LAVINIA BOHO products meet all technical requirements and international quality standards. Environment management system is certified, and this confirms that company policy is focused on reducing level of pollution and mitigation.

# WALL-HUNG TOILET

New purity level

The toilet has sophisticated design with round and soft shapes typical for contemporary Neo-classic style. Minimalism in design provides saving of bathroom space. The cleaning process is easy and takes a little time due to concealed assembly parts.

## Design & Innovations

Our designers seek inspiration in nature, art, traveling and embody their innovative ideas in bathroom collections where perfection of shape and functionality has always been and remains as the standard of LAVINIA BOHO design. It is significant for us to come up with brand new ideas and keep up with the times, still preserving our best traditions and identity.

Since the first day of foundation LAVINIA BOHO industrial group has laid special emphasis on innovative solutions and has regularly invested in unique technologies to develop our products exceeding all Customers' expectations. Due to invaluable vast experience of product development, we implement trend-perfect and unique technologies in products for bathroom toilet.
