COLLECTION CATANI | 2015

CATANI

Classic lines and the grand style atmosphere

Modern elegance

Royal design of Catani products is really expressive and masterful. Baroque style elements create truly comfortable and magnificent atmosphere in a bathroom.

You will be impressed by gorgeousness and beauty of a spacious free-standing bath in classical style.

Eye-catching mirror wardrobe with a gilt frame and elegant door handles provides flexibility in application and accentuates luxury and wealth.

On-floor cabinet is made from fine solid wood with handmade carved elements and elegant door handles. Snazzy appearance is provided by colorless lacquer and special coating protects the product from moisture ensuring its maintainability and long service life.

Gold-colored faucets recreate authentic Baroque style in a bathroom. The product combines German standard quality, unique manufacturing technologies and inimitable design. The faucet minimum wall thickness is 3 mm what provides resistance to external effects and prevents microcracking.

Column cabinet is a true embodiment of incomparable luxury. Gorgeous cabinet finish and excellent color, unique decorative element in the form of auxiliary mirror, optimized interior space along with external

compactness – all these features bring a sense of wealth and comfort.
