**Use and care of bathroom furniture**

[laviniaboho.com](http://laviniaboho.com)

Dear Customers!

Thank you for having chosen Lavinia Boho products. During production of bathroom furniture we apply state-of-the-art technologies: the furniture items are covered by five-layer high-gloss enamel, and the doors with the soft-close system are supplied by the best European furniture manufacturers.

### **Product designation**

Bathroom furniture is to be installed in sanitary facilities of multifunctional buildings and intended for sanitary and hygienic application.

### **Before installation**

Installation and operation manual for the specific furniture item is attached and packaged in a container. Read and follow this instruction manual in order to avoid injuries and property damage.

Bathroom furniture assembly and mounting shall be performed by qualified fitters.

Before assembly the furniture shall be stored in an undamaged original package. In case of prior unpacking, all product items shall be reliably packaged again in such a way as to avoid their contamination and damage.

Do not put any things on the furniture (also when packaged). The product is subject to mechanical damages.

Before assembly remove protective film or other packaging elements if there are any. During assembly observe precautions for mechanical and plumbing works.

### **Instructions for use and care of bathroom furniture**

Check holding strength after assembly.

Use the furniture for intended purpose only.

It is strictly prohibited:

- put or drop heavy things on the furniture;
- stand on the furniture items;
- hit sharply the furniture or the furniture items.

In case of water penetration into the furniture, wipe it with a soft dry cloth.

Use warm soapy water to clean the surface; do not use abrasive, acid, alkaline or other aggressive cleaning agents, different solvents, including organic solvents, as they may damage the furniture surface. Do not use hard and wire brushes for cleaning the furniture (and other cleaning means that may damage its surface).

Annually check installation position and reliability of the furniture.

Keep out of direct sunlight.

### **Terms of warranty**

Manufacturer and Seller warrant operational suitability of the furniture and its usability for the purpose intended within the warranty period.

Warranty period for bathroom furniture is to be specified by Seller in warranty card.
